DJMS Spotlight

DJMS is blessed with counsellors who continually go the extra mile for students.

Seventh grade counselor Mrs. Willis and eighth grade counselor Mrs Robinson work especially hard to ensure the more than one thousand students at DJMS have ready access to a variety of clubs and activities that are enriching, thoughtful and motivational.

Recently, our counselors hosted Women's Workout Day. This activity focused on the importance of cultivating a dedication to exercise for mothers and their daughters. What a wonderful way for mother's to empower their daughters and to stress the value of exercise as a holistic remedy for stress.

Our counselors value higher education and so, the week of September 21st- 22nd focused on higher education. Students came to school in attire they'd wear in their chosen career, teachers wore caps and gowns, doors were decorated and much more!

Now, through November 4th, our counselors are helping clubs with the annual canned food drive. Food collected by students will be distributed to area food banks to help insure needy families begin the holiday season with needed items.

DJMS counselors are phenomenal! Thank you, ladies

Clothes Closet

On Monday , September 26th DJMS volunteers helped the MISD Clothes Closet staff sort clothing items for needy families. While assisting Desiree and her Staff, we learned that Clothes Closet does more than we could ever imagine to assist area families. Additionally, Clothes Closet collects unwearable clothing and linens to be sold by weight. The income from the weighted household items is then used to purchase undergarments, toothbrushes and other non recyclable items.

Clothes Closet supplies school supplies as well as help for displaced extended family members. Desiree and her team have volunteered for many years, four and three respectively. We applaud you for your dedication and service. Thank you Clothes Closet

Reflections

All Pro Dad's

Danny Jones Middle School is excited to offer a new program geared to Dads: All Pro Dad's. This high energy, interactive program focusses on building relationships between students and schools through parental involvement.

All Pro Dad uses a 1x,1x,1x strategy for fathers to get involved with children.; 1x minute a day reading a free email, 1x hour a month attending a breakfast at their kid's school, and 1x day a year bonding with their children at a school sponsored event.

Our feedback at Danny Jones has been tremendous! During 7th grade schedule pick-up, Danny Jones broke the former signup record of 35 with 51 dads committing themselves to becoming a part of the initiative to put kids first.

Please take a moment to look at the website and rewrite your experience through parental advocacy www.allprodad.com

Our first APD meeting was held on Friday, October 7th. Thank you Mansfield Sonic and Dillon Stanley for providing breakfast for over fifty participants. The morning began at 8 with an overview of the APD program by facilitator, Julius Walker. Mr Walker and his wife Wendy are longtime volunteers. Principal Moore thanked participants and further explained the benefits of the APD program. All enjoyed the morning breakfast before heading off to class. Thank you Mr Walker and family and Mansfield Sonic and Dillon Stanley.
